Description:

Most marriage books assume the author did it right. Most marriage books barely mention friendship. Most marriage books use “intimacy” as code for “sex.” This is not one of those books. In Real Marriage, Pastor Mark Driscoll and his wife, Grace, share how they have struggled and how they have found healing through the power of the only reliable source: the Bible. They believe friendship is fundamental to marriage but not easy to maintain. So they offer practical advice on how to make your spouse your best friend – and keep it that way. And they know from experience that

sex-related issues need to be addressed directly. Five chapters are dedicated to answering questions like: Should I confess my pre-marital sexual sin to my spouse? Is it okay to have a "work spouse"? What does the Bible say about masturbation and oral sex? Stunningly honest and vulnerable, *Real Marriage* is like a personal counseling session with a couple you cannot surprise, you cannot shock into silence, who will respond to every question with wisdom, humility, and realism. If you want to have a long-lasting, fulfilling marriage you should read this book. Wrestle with this book. Pray over this book. Share this book. And discover how God can use it to change your life. That is why I am so thankful that Mark and Grace Driscoll wrote this book. Their approach to marriage, its benefits and challenges are transparent and challenging and I honestly believe that every married couple who will work through what they lead us through in this book will not just merely have a marriage that survives in this world but rather thrives in it. —PERRY NOBLE Senior Pastor, NewSpring Church Our thanks to Mark and Grace Driscoll who have served this generation well by tastefully but boldly addressing the real issues facing real marriages. Taking the unchanging truth of God's word and sprinkling in is the story of God's mercy in their own marriage they have filled every chapter with real helpfulness. This book is powerful, biblical, practical and healing for marriages that hurt. My wife and our adult children read it to great profit. —DR. JAMES MACDONALD Senior Pastor, Harvest Bible Chapel and Bible teacher for Walk in the Word

This is a great marriage series and not for the faint at heart. If you are not ready to face real issues in your marriage, then stay away from this book and video series. However, if you are tired of your marriage being in the condition that it is, if you are open and willing to working on you and being responsible for your role you play in your marriage, then this is a great place to start!
